Abstracts

Sonoco will continue to benefit from a number of factors in the forecast period, including its focus on recyclable composite containers and its flexibility in working with clients to develop distinctive packaging. The company will continue to invest heavily in client-driven innovation, with a focus on barrier protection and on-shelf differentiation. The company will also benefit from its offer of an extensive range of closures and finishing and printing services.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
