Abstracts

Sopanusa is expected to focus on the manufacturing of tissue products. The company's retail value share is expected to continue declining over the forecast period due to the fact it is being outperformed by other larger tissue manufacturers with wider brand portfolios and stronger distribution networks. The company's distribution is expected to remain limited to several key cities in Java over the forecast period.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
