Abstracts

In 2022, PET bottles continued to be the main pack type in hot drinks in Mexico. This can be attributed to the importance of carbonates and bottled water in Mexican soft drinks, as PET bottles are the primary pack type for these two categories, which are the biggest in the local market. PET bottles are popular as they can be customised into many sizes and are easily recyclable. In a time when recession is inflating prices of products, PET bottles are preferred by manufacturers as they are inexpe...
