Abstracts

Off-trade volume growth for sports drinks in 2023 was up markedly on that recorded in 2022. This improvement was partly explained by the success of reduced sugar and sugar-free options introduced towards the end of the review period, which have helped to give the entire category a healthier image. Buoyant demand also reflected the fact that concerns surrounding COVID-19 have recently made many more people in Taiwan inclined to regularly partake in sports and fitness activities. Additionally, wit...
