## Abstracts

The sports drinks market in Western Europe is driven by consumers' keen interest in sports and fitness, increasing disposable incomes and a willingness to pay for health products. Over the review period, however, sports drinks struggled to achieve significant growth, reaching only a niche consumer segment. There are opportunities in the forecast period to increase volumes, but companies do not consider investment in sports drinks as a business priority.

Euromonitor International's Sports Drinks in Western Europe global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on value and volume for both off trade and on trade.

**Product coverage:** Asian Speciality Drinks, Bottled Water, Carbonates, Concentrates, Energy Drinks, Juice, RTD Coffee, RTD Tea, Sports Drinks.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
