Abstracts

In 2013, the category benefited from the growing receptivity of French consumers to energy drinks. Demand for such drinks continued to increase in both the off- and ontrade, mainly driven by marketing efforts from Red Bull. To boost off-trade sales, for example, the company improved its merchandising in major grocery retailers. Other players in energy drinks meanwhile continued to launch new flavours in order to recruit new consumers.

Euromonitor International's Sports and Energy Drinks in France report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2009-2013), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market – be they legislative, distribution, packaging or pricing issues. Forecasts to 2018 illustrate how the market is set to change.

Product coverage: Energy Drinks, Sports Drinks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Sports and Energy Drinks market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;
