## Abstracts

In 2023, sports nutrition is expected to register a slight increase in current value sales, though constant value sales are expected to fall, as rising costs hit profitability. While Bolivia has managed to protect itself to a large extent from inflation by continuing to have a fixed exchange rate against the dollar, inflation is expected to be higher in 2023, due to a sharp fall in foreign currency reserves, which has put pressures on importers in particular and is pushing prices up. With sports...
