Abstracts

Sports nutrition continued to see dynamic growth in constant value terms in 2023, as consumers returned to their active lifestyles. Sales also benefited from opening of more gyms and fitness centres, following the ending of various pandemic-related restrictions. These included new concepts like Smart Gym, unveiled by Engage Fitness, an unmanned gym outlet that operated 24/7 and which harnessed the latest AI technology, including facial recognition for quick and easy access. These factors served...
