## Abstracts

Sports nutrition is one of the most exciting and fast-moving categories in the consumer health industry, with double-digit current value growth expected to continue in 2023. It experienced a modest decline in 2020, affected by the COVID-19 pandemic. However, a surge in growth was seen in 2021, and this has continued, bolstered by the increased focus on health, fitness, and active lifestyles amongst a wider group of consumers in the US, as well as new and innovative brand launches catering to a v...
