Abstracts

Under its All Gold brand, the leader in jams and preserves, Tiger Consumer Brands launched a new type of PET bottle in June 2017 called the tottle. Thanks to its convenience and stylish modern image, the tottle is expected to gain share from both glass packaging in premium jams and preserves and metal food cans in spreads.

Euromonitor International's Spreads Packaging in South Africa report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Chocolate Spreads, Honey, Jams and Preserves, Nut and Seed Based Spreads, Yeast-based Spreads.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
