Abstracts

Value sales growth across staple foods remains strong in 2023 with broader inflationary pressures a key contributor to this. While fuel costs have stabilised following the initial shock in 2022 after Russia invaded Ukraine, the local government's temporary removal of excise duty on petrol ended in July with these increased costs being passed on to consumers. In addition, flooding and extreme weather events in early 2023 across the country placed considerable pressure on New Zealand's infrastru...

Euromonitor International's Staple Foods in New Zealand report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
