Abstracts

The biggest story in staple foods in Ukraine in 2023 was that all sales in all categories were still being significantly impacted by the ongoing war that rages in many parts of the country as well as high inflation due to the collapsing exchange value of the hryvnia. While retail volume growth was positive across the industry, this followed strong double-digit declines in all categories of staple foods in 2022 as the Russian Federation's invasion of Ukraine reduced the overall size of the consum...
