Abstracts

Due to intense competition and fragmentation in the foodservice industry, many restaurant operators are focusing on customer retention strategies via loyalty programmes. The surge in delivery apps has facilitated this shift, allowing seamless integration of these programmes. These schemes offer opportunities to understand audiences better, foster communities and provide value beyond transactions, thus enhancing brand identity and loyalty through features that provide long-lasting connections.

...

Euromonitor International's State of Consumer Foodservice Loyalty Programmes and Opportunities for Expansion global briefing offers an insight into to the size and shape of the Consumer Foodservice market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading operators and brands, offers strategic analysis of key factors influencing the operating environment - be they economic/lifestyle influences, new foodservice concepts, outlet locations, menu innovation or format development.
