## Abstracts

Faced with a declining share in the consumer health market, Stone Group Holding Ltd is seeking new growth engines, such as Goldhoney, Amino Acid and Gold Wine. However, these products have not yet boosted sales for the company. As a result, the key focus of the company is likely to be on improving net profit and reducing unnecessary costs.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
