Street stalls/kiosks recorded current value growth of 270% in 2016, which was significantly higher than the 109% value CAGR recorded over the review period. Higher price increases allowed this positive performance. Independents held a share of 97% within outlets and an 87% value share in 2016. Chains are limited in number and are often similar to small fast food outlets, generally sharing the same venues, mainly retail locations. In contrast, independent street stalls/kiosks are located along nu...
