Abstracts

Striving for Wellbeing in Drinks & Tobacco has been identified as one of the most important themes in the world of beverages. Alcohol, caffeine, sugar and cannabis are a significant part of how global consumers manage their wellbeing. In the decade prior to the pandemic, however, consumers had begun to form a more 'mindful' and conscious approach to their intoxicants. In its aftermath, consumers will rebalance consumption and ingredients to re-establish wellbeing.

Euromonitor International's Striving for Wellbeing in Drinks & Tobacco global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces.
