Abstracts

Suburban markets are expanding around hyperurban hubs across the world, creating new consumer markets for companies and marketers. With the impact of Coronavirus (COVID-19), even temporarily, consumers are re-evaluating their housing needs. This report examines the growth drivers behind suburban living, such as affordability and new working conditions, as well as looking at the growing opportunities in these areas

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
