Abstracts

With over 60% of new dairy sales expected to be generated in Asia Pacific in the next five years, the region is receiving a great deal of attention from foreign investors. However, the challenging operating environment poses both opportunities as well as pressures for foreign investors. This briefing explores the dairy market and consumer dynamics in the region, and identifies growth opportunities.

Euromonitor International's Succeeding in Asia Pacific: Exploring the Dairy Market and Consumer Dynamics global briefing offers an insight into to the size and shape of the Packaged Food market, highlights buzz topics, emerging geographies, categories and trends and identifies the leading companies and brands. It also offers strategic analysis on driving packaged food industry trends like health and wellness, premiumisation, convenience and value-for-money and how those trends influence factors like new product developments, packaging innovations, retail distribution and retail pricing both historically and into the future.

Product coverage: Baby Food, Baked Goods, Biscuits and Snack Bars, Breakfast Cereals, Confectionery, Dairy, Ice Cream and Frozen Desserts, Oils and Fats, Processed Fruit and Vegetables, Processed Meat and Seafood, Ready Meals, Rice, Pasta and Noodles, Sauces, Dressings and Condiments, Soup, Spreads, Sweet and Savoury Snacks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
