Abstracts

While sugar confectionery is expected to register an increase in current value sales, volume growth is expected to be muted, as continuing high inflation dampens volume sales. In terms of value growth, mints are expected to be the strongest performer. Mints are perceived as healthier than other sugar confectionery and are also used as a breath freshener and this is driving volume growth. Manufacturers of mints, and in particular power mints, are also positioning themselves as an alternative to c...
