## Abstracts

Suning Commerce Group will keep upgrading its physical stores as well as improving its online services, including recommendation function and logistics, to provide a better shopping experience to its target consumers in both the online and offline channels. Moreover, the company will further extend to countries and villages, due to strong growth potential in these underdeveloped areas.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
