ID: S094A9A4B77EN

Abstracts

Super premium beauty and personal care is largely sold through department stores and beauty specialist retailers in the Mexican market. Consumers of these products like to experience them first hand, and these outlets often provide clients with samples to try the products for suitability, as well as qualified consultants to help shoppers choose products for compatibility with their needs – products that are suitable for their complexions, for example. The closure of non-essential physical stores...
