## Abstracts

Maradona confirmed its position as the leading chain of Spanish supermarkets in value terms in 2023 despite ranking second in terms of the number of outlets. The company strengthened its brand equity through intensified promotional campaigns, including lowering the pricing of 500 products during the second quarter of 2023 in what it communicated as its efforts to support Spanish shoppers during the challenging economic environment. This move was well received with Mercadona seeing double-digit g...

Euromonitor International's Supermarkets in Spain report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers.
