## Abstracts

Luxury and fashion players are facing a deeply transformed consumer and retail landscape post-Coronavirus (COVID-19). Survival and recovery strategies are likely to revolve around agile adaptability and a careful review of legacy standard operating procedures in place before the pandemic. Those best fitted to this new environment are set to survive and thrive.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
