Abstracts

Sweet biscuits, snack bars and fruit snacks is expected to perform moderately in 2021, with above inflation increase in current value and a small increase in volume sales. While in 2020, the pandemic led to a reduction in volume sales of on-the-go products, as people spent significant amounts of time at home, on-the-go consumption is expected to recover in 2021. As a result, snack bars, and in particular protein/energy bars, are expected to register the highest current value growth. The strong p...
