Abstracts

Nut and seed based spreads demonstrated the fastest volume growth in 2023 thanks to the growing number of vegetarians who rely on nuts and seeds as a key source of protein and nutrition. In addition, the category is still in its early stages of development and is undersaturated, which supports growth and provides much scope for new players to enter. Peanut butter is the most popular type of nut and seed based spread, with a variety of options including no added sugar and organic, in line with th...
