Abstracts

Local brands such as Peptang and Zesta continue to maintain their dominant presence in sweet spreads. Their success can be attributed to their extensive distribution networks and competitive pricing when compared to imported products. These homegrown brands have forged strong connections with consumers, offering them not only a taste of local flavour also cost-effective choices, which are particularly appealing in a market where affordability is a key driver of consumer choices.

Euromonitor International's Sweet Spreads in Kenya report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
