Abstracts

Sweet spreads is seeing stronger retail value growth compared to retail volume, due to price rises in the category. Health trends are also evident in sweet spreads, as many products contain high levels of sugar (e.g., jams and preserves and chocolate spreads), thus health-conscious and higher-income consumers are seeking more premium positioned honey due to its functional benefits. With regards to jams and preserves, we are also seeing health trends influence developments, with the rise of low-s...
