Abstracts

Syktyvkar Tissue Group is expected to benefit strongly from the opening of a new production plant at the start of the forecast period, with this increasing its tissue and hygiene production capacity from 45,000 tonnes to 75,000 tonnes. This will result in the company becoming one of Russia's biggest producers in tissue and hygiene. The company is also expected to benefit from offering three-ply and four-ply toilet paper, which are expected to see a strong growth in demand during the forecast...
