Abstracts

Over the forecast period, Taiwan Lamination Industries Inc is expected to focus on research and development for flexible packaging such as convenient closures to environmental friendly products. This is especially due to the increased demand for flexible packaging by manufacturers that will allow Taiwan Lamination Industries Inc to answer different needs in various industries. While its largest revenue contributor is food packaging, the player will also seek to strengthen its presence in other...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
