Abstracts

The largest Tanzanian city, Dar es Salaam, leads in terms of consumer expenditure; however, the chaotic expansion of informal settlements has led to rising susceptibility to climate change among the vulnerable segments of society. The capital, Dodoma, is suffering from negative net migration, with the working age population moving out from the city. Despite being the country's economic and financial hub, Dar es Salaam is witnessing a shortage of labour market opportunities, resulting in high une...

Euromonitor International's City Review reports analyse key trends and developments in 126 world's major cities. They provide localised city information in terms of economy, consumer lifestyles, housing and transport and city environment and offer valuable insights for strategic planning.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
