Abstracts

During the forecast period, Technopolis is expected to continue to solidify its leading position in electronics and appliance specialist retailers, while at the same time looking for positive actual growth in internet retailing. This is evident both in the recent opening of new stores and the introduction of its new online platform, which has boosted its capacity to handle internet orders.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
