Abstracts

Teknoquimica SA's strategy is to offer good-quality and affordable products, although the company engaged in very little innovation or product improvement over the second half of the review period. The company also aims to position its brands by claiming to be 100% Peruvian, relying on consumers' national pride.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
