Abstracts

Teriak is a major player in the Tunisian pharmaceutical industry thanks to its high level of productivity and to its dynamic new launches. The company aims to reinforce its therapeutic range by developing generics and consolidating patient access to different therapies. Furthermore, Teriak is developing its export activities in Africa and the Middle East.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
