Abstracts

Due to increasing demand for flexible plastic packaging, the company will continue to invest in new machinery and increase production capacity in order to cope with the rising demand. At the same time, new technology development will continue to be researched and developed in order to minimise the cost of production and increase production more efficiently to serve both local and international demand.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
