Abstracts

Tiffany & Co is a leading real jewellery company most famous for its association with Audrey Hepburn and timeless diamonds. Despite expanding its more affordable ranges in recent years, the company is increasingly overlooked by young consumers due to its classic image. To turn around its negative trend in sales, Tiffany & Co aims to reduce its dependence on the US, increase its appeal to Millennials, strengthen its position in watches, expand online and launch new products more regularly.

Euromonitor International's Tiffany & Co in Personal Accessories (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Personal Accessories industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

Product coverage: Bags and Luggage, Jewellery, Watches, Writing Instruments.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
