## Abstracts

Despite the easing inflationary environment in 2023, certain product areas within the Canadian tissue and hygiene market continue to witness price boosts. On average, lower price increases are observed in Canada compared to the US. The inflation rate in 2023 was about 3%, less than half of 2022's 7%. Although lingering effects of inflation were experienced, all categories displayed continuous volume recovery year-on-year, driven by the resilience of tissue and hygiene goods' essentiality and con...
