## Abstracts

Despite the development of tobacco free oral nicotine in other countries, there is an absence of product awareness in Spain in addition to the presence of relevant players, resulting in a negligible market and with that, no clear legislation relating to these products. Tobacco players in Spain also consider this area of tobacco as offering limited potential amongst Spaniards in the shorter term.

Euromonitor International's Tobacco Free Oral Nicotine in Spain report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2016-2020, allowing you to identify the sectors driving growth.
