Abstracts

The smoking ban in public places and the strict tobacco legislation made it much harder and awkward for smokers in 2014. The anti-smoking campaigns run by the government, the medical establishment as well as lobby groups raised awareness of the health risks involved in smoking and also created a social stigma, as nowadays the Swiss regard it as less acceptable to smoke in public places. Smoking linked to premature-ageing too was a strong message for the beauty-conscious youth. Whilst some gave...

Euromonitor International's Tobacco Packaging in Switzerland report offers insight into key trends and developments driving packaging across the category.
