## Abstracts

In 2022, next-generation products were increasing their share in the tobacco market. While cigarette consumption is declining, it remains at a relatively high level compared to other European markets. The reluctance of German politicians to support a “harm-reduction” strategy is hampering faster growth of products such as e-vapour and heated tobacco. Heated tobacco, in particular, has nonetheless entered the mainstream through the concerted efforts of Philip Morris and the expansion of its netwo...
