Abstracts

Toilet care remained a small but profitable area of the home care market in 2012. While developed markets such as North America and Western Europe appear to have reached saturation, developing markets are increasingly taking a lead in value generation. This trend is likely to accelerate further with increased flush toilet penetration and wider westernisation of cleaning culture.

Euromonitor International's Toilet Care Moving to Tipping Point global briefing offers an insight into to the size and shape of the Home Care market, highlights buzz topics, emerging regions, countries and categories as well as pressing industry issues and white spaces. It identifies the opportunity zones within home care, analyses leading companies and brands and offers strategic analysis of major factors influencing the market - be they new product developments, packaging/ format /ingredients innovations, economic/lifestyle/environmental influences, distribution or retail pricing issues. Forecasts illustrate how the market is set to change and criteria for success.

Product coverage: Air Care, Bleach, Dishwashing, Home Insecticides, Laundry Care, Polishes, Surface Care, Toilet Care.
