Abstracts

This report identifies the 10 global consumer trends expected to impact during 2021, providing specific characteristics and how the trend manifests, consumer behaviour and motivation driving the trend, as well as insights on how industry is responding across consumer markets and geographies and the long-term impact.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
