Abstracts

As family and social demographics continue to evolve and emerge, 2019 is set to unveil new trends in the household space. The Top 10 Household Trends for 2019 and Beyond report will look at some of the latest developments in technology, connectivity, family dynamics, real estate, and payments.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
