Abstracts

In 2022, global business continues to face various risks, with a persisting Coronavirus pandemic, supply chain disruptions and inflation being top of mind for leaders. This report provides insights on how these three challenges might evolve this year and beyond, and their possible impacts on production, growth and consumer behaviour, helping companies and investors evaluate risks and move forward with a stronger strategic direction.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
