Abstracts

Toronto is the economic engine of Canada, generating 19% of the country's total GDP and being the most populous city with 5.9 million people in 2015. Business services dominate the economic sphere of the city, generating 40% of local GVA in 2015. Toronto is among the top 10 most competitive financial centres globally, hosting international banks, accounting and insurance companies.

Euromonitor International's City Review reports analyse key trends and developments in 126 world's major cities. They provide localised city information in terms of economy, consumer lifestyles, housing and transport and city environment and offer valuable insights for strategic planning.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Cities market;

Pinpoint growth sectors and identify factors driving change;
