Abstracts

Toshiba Corp faces considerable challenges in the forecast period, following the resignation of a large number of senior management and a major accounting scandal in 2015. There is expected to be a strong focus on regaining Japanese consumers and shareholders' trust. The company is expected to recruit a large share of outside directors, which could thus result in changes in strategic direction in the forecast period. The company has stated that it will focus on its energy, storage and...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
