## Abstracts

Towards the end of the review period, tourism flows inbound in Vietnam registered higher growth in 2013 compared to 2012. The higher growth in arrivals was attributable to the constant efforts of the Vietnam National Administration of Tourism to promote Vietnam to become one of the most preferred destinations in the world for international travellers. For example, the government continued to organise the Da Nang International Fireworks Competition in Da Nang Province on 29 and 30 April 2013.

Euromonitor International's Tourism Flows Inbound in Vietnam report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth.
