## Abstracts

Outbound tourism is on the rise in Peru, a trend which can be attributed to a combination of two factors. First, strong economic growth over the course of the last decade has made travelling more accessible for middle class consumers, while the recommendations of family and friends who have already been overseas was another major factor boosting outbound tourism flows in 2013.

Euromonitor International's Tourism Flows Outbound in Peru report offers a comprehensive guide to the size and shape of the market at a national level.
