## Abstracts

While Switzerland is mainly known around the world for the beauty of its Alpine regions, its ski resorts and the high quality of its health and wellness tourism, the country is not at all short many other tourist attractions. In comparison with other European countries, the recent history of Switzerland has been peaceful and the country remained neutral and conflict-free throughout both the First World War and the Second World War. Nevertheless, the country has a rich culture and history, which...

Euromonitor International's Tourist Attractions in Switzerland report offers a comprehensive guide to the size and shape of the market at a national level.
