Abstracts

Tourist attractions' growth rate continues to increase year-on-year with a rate of 8% in 2013, up almost one percentage point from the previous year. The category's performance is also markedly improved from the review period when it recorded a value CAGR of 6%, thus reflecting directly the benefits of the country's economic recovery on the category. A combination of improvement in the performance of the tourism market in the UAE through the recovery in the number of visitors and continuous...
