Abstracts

The rapid growth of modern grocery retail channels hampered the performance of traditional grocery retailers during the review period prior to the onset of COVID-19, with their constant value sales (2021 prices) declining in 2020 and rebounding only partially during 2021. Nevertheless, traditional grocery retailers remained the largest channel within grocery retailers. Independent small grocers are highly appreciated in Mexico and represent the main or only income for millions of Mexican familie...

Euromonitor International's Traditional Grocery Retailers in Mexico report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers.
